Participation

Our German courses are geared towards our exchange students. As long as there are free places, we gladly accept external students. The higher the course level, the better your chances to get a place. Please note beginner courses are normally full.

Attention: You **cannot** apply for a visa or residence permit with our German courses, as the length of our courses do not fulfill the visa or residency requirements.

If you are interested in one of our courses, please contact our language center at sz@hof-university.de.

Based on a placement test, you will receive a course recommendation. As long as there are free places in this course, you can sign up for the class by filling out a contract. You can only attend the course after having paid the course fee. Please show a copy of your contract and payment confirmation to the lecturer in your first lesson.
